

Grande Cache Fish and Game Association

Membership Information

** Please read all information carefully**

Membership Information:

1. Membership Class and Costs

<u>Class</u>	<u>Cost</u>
Adult- Single	\$100.00
Adult- Couple	\$175.00
Family- includes 2 adults and up to 4 children under the age of 18 living in same household	\$200.00
Youth- (12-17) Must be accompanied by an adult (this cost covers the NFA insurance costs and the club does not make any money on this cost)	\$30.00

2. Length of Membership

All memberships expire on March 31- regardless of the date purchased.

3. Gate and Door Access Codes

Important: The access codes to our facility will be given to all people when they purchase their membership. Under no circumstances are these codes to be given to non-members. Our club has been improving a great deal over the last few years. The money raised through our membership is essential to ensuring that we can continue to improve and pay for our insurance and operational costs. To allow non-members to use our facility hurts our entire cause and damages our association.

4. Signing In

All members using the Grande Cache Fish and Game Facilities (clubhouse, firing ranges, and archery ranges) must sign-in at the clubhouse 'sign-in' book.

5. Volunteering- WE NEED YOU!

The past and current success of our club is due to the fact that many of our members volunteer to help upkeep and maintain our facility and grounds. We schedule regular 'work bees' and the executive works towards constant improvement and development. If you wish to get involved in helping with the many projects that are currently being managed, or start your own project, then please call the president, vice-president or other executive members and your help will be greatly appreciated!

6. Insurance

With your membership the National Firearms Association (NFA) covers you with \$5 million insurance for all legal hunting, fishing, and range activities in the world.

7. Guest Classification and Costs

A guest is considered any out-of-town non-member. The guest must sign in with you in the sign-in book at the clubhouse and pay the \$10.00 daily guest fee. The money tin is beside the sign in book. **All Grande Cache residents MUST purchase a membership.**

8. Trespassing, Theft and Vandalism

Anyone caught Trespassing (fence jumping), stealing or vandalising (breaking, damaging, or using the equipment improperly) will have their membership immediately cancelled (if they have one) and will be prosecuted to the fullest extent of the law. Too many people have worked too hard to allow this type of destructive behaviour.
